### **Conversion of Loans**

Proton Motor Power Systems plc (AIM: PPS), the designer, developer and producer of fuel cells and fuel cell electric hybrid systems with a zero-carbon footprint, announces that Mr Falih Nahab has requested the conversion of part of the interest matured on loans provided by him into 40,000,000 ordinary shares of 1 penny each in Proton ("Ordinary Shares"). The conversion price is 2p per Ordinary Share and the interest converted therefore has a value of £800,000.

Application has been made for the admission to AIM of the 40,000,000 Ordinary Shares resulting from the above loan conversion. Admission to trading on AIM of the new Ordinary Shares is expected to take effect on or around 14 July 2020 ("Admission").

Mr Falih Nahab has indicated that he intends to use any proceeds from a sale of these Ordinary Shares to provide further financing to the Company; further announcements will be made as appropriate.

As a result of this loan conversion, Mr Falih Nahab's interest in the share capital of Proton will comprise 165,015,672 Ordinary Shares held indirectly via his 28 per cent. interest in SFN Cleantech Investment Ltd and 42,464,981 Ordinary Shares held directly by him representing respectively 23.19 per cent. and 5.97 per cent. of the Company's issued share capital.

### **Total Voting Rights**

Following Admission, the Company's issued share capital will comprise 711,617,072 Ordinary Shares. The Company does not hold any Ordinary Shares in treasury. This figure may be used by shareholders in the Company as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the share capital of the Company under the Financial Conduct Authority's Disclosure Guidance and Transparency Rules.
